How to access the Thermotechnisch institute?

By Train

Information about train connections and delays is available at <http://www.belgianrail.be/>. From Heverlee station it is about 700m walking to the venue. You need to change in Leuven station to platform D (this is a short terminus next to the station building on the side of the city administration – not on the side of the bus station)

By Car

Please note that the circulation in Leuven has changed radically. Information about the new routes can be found at <https://www.leuven.be/circulatieplan>

By Bus

Information about bus lines can be consulted at www.delijn.be. From Leuven station Bus 2 leaves about every 8-15 minutes to Heverlee Campus (get off at Kantineplein).

Accommodation

It is conference delegates' responsibility to make their own accommodation reservations. Here a list of hotels (in all categories) most of which close to the station or city center, not to the conference venue. Please check the location of your hotel on the card.
